Application for Transportation Service

Moscow Charter School contracts transportation through the Moscow School District, parents do not have to pay for this transportation. However, please keep in mind:

MCS pays roughly \$33.00 per month per child even if the child only rides the bus once in a given month.

To help keep costs down for the school, we encourage car-pooling if at all possible. This could save our school more than \$300 per child per year!

Before riding the bus:

1. You **must contact the Moscow School Bus Garage** and notify them of your intention to have your child ride the bus, obtain your school bus number and bus stop location.
208-882-3933
2. Fill out the following form and return it to the MCS office.
