Two Address Busing Rules Sheet

To support students and family's needs (2) addresses will be allowed.

The Moscow School District will accommodate parents/guardians by picking a student up at one location (such as a home and/or daycare) and dropping off at a second location.

To maximize safety for students as well as the efficient operation and management of the District's student transportation system, the following procedures will be implemented.

Parents/guardians must complete the file "Request for Two Address Busing" form with the MSD Transportation Department. A copy of the form will be forwarded to the appropriate school office.

This form states that this will be continuous for the entire school year. If it becomes necessary to change the pickup OR drop-off address, the parent/guardian must file an amendment (fill out a new form) with the Transportation Department.

For any questions concerning any Transportation issues please call 208-882-3933.
