

MOSCOW CHARTER SCHOOL

Science • Technology • Engineering • Arts • Math

Hi Families,

These items are the essential tools for 4th grade and will last all year.

In our classroom, students get to sit in a different spot each day which helps them become more flexible learners and get to know all the members of the class better. There are Home Base Bins to keep classroom tools, (pencil pouches, extra pencils, etc.) and subject area notebooks are kept in tubs found in certain locations in the room.

___ **8 Composition Notebooks**- These are the type that are sewn in the binding and are not for tearing pages out. They are for Readers' and Writers' Workshop, Science, Social Studies, Cursive and Grammar,

___ **3 packs of Ticonderoga pencils**- With all the writing to explain, draw, and communicate, pencils last about 2 days. Pencils that are covered in plastic coverings dull pencil sharpeners.

___ **1 pack of loose leaf paper**- Elementary rule, not college rule

___ **1 soft material or fabric Pencil Pouch**- Portability is the key. It needs to be able to hold a few pencils, a highlighter, a high quality small pencil sharpener, black and blue pen, and 5 colored pencils, one white board marker.

___ **1 package of 8 colored pencils**

___ **2 pens, 1 blue, 1 black**

___ **1 high quality pencil sharpener**-\$2 or 3 more dollars makes all the difference when you consider that a pencil gets sharpened about 6-9 times a day. The quality makes a difference for the whole year. :) After all, pencils are the main tool at this job.

___ **2 differently colored whiteboard markers and a soft rag/sock**- These are for using the individual white boards.

___ **1 12" ruler with cm and inches**

___ **1 small calculator**- If you get a scientific one, it will show the steps in the equation. The buttons on these are not utilized yet, but can be used in the upcoming grades.

___ **1 water bottle that has a tight lid**

___ **1 box of tissues and ___ 1 small container of handy wipe s**

___ **1 pair of PE shoes with non-marking soles**

___ **1 Latah County Library Card**

Thank you so much for purchasing these items. If you have any questions, please feel free to email me at kbonzo@moscowcharterschool.org

See you all soon, Ms. Bonzo
